Binomial simulation

Number of successes
iter=100, n= 10, p= 0.7

Binomial simulation

Number of successes
iter=200, n= 10, p= 0.7

Binomial simulation

Number of successes
iter=500, n= 10, p= 0.7

Binomial simulation

Number of successes
iter=1000, n= 10, p= 0.7

Binomial simulation

Number of successes
iter=10000, n= 10, p= 0.7
